City Attorney Pond has been instructed to notify the Grand Trunk railroad system that unless it graveled and put into suitable condition, its crossings on South Washington street, the matter would be taken up with the public utilities commission, in an effort to get some action. The company has been repeatedly requested to fix the crossing.

Cecil T. Goodwill of this city, is at the head of the C. T. Goodwill corporation, recently organized at Lapeer for the manufacture of wooden steering wheel rims and automobile top bows. The company was organized among Lapeer business men, and the plant will be completed this week. The plant will have about 5000 square feet of floor space and 30 men will be employed.

Oliver Middleton of this city, has, through his attorney, R. D. Matthews made a settlement with the Detroit United Railway, in the \$2500 damage suit started by Middleton. The suit was to have gone to trial last week but at the opening of the trial the defense offered a satisfactory settlement and it was accepted. Middleton had one arm broken when a street car on which he was riding, was struck by a truck in August, 1918.

Ray Stinson, special officer at the sugar factory, was slugged by one of two men whom he found prowling in the yards early Sunday morning. Stinson just completed his rounds at 2:30 o'clock when he saw the men. He stopped them and started to question them, when, without warning, one of them assaulted him, striking him over the eye. The blow staggered the officer and inflicted an ugly gash. Stunned by the blow and blinded by the blood from the wound the officer had no chance to capture the men.
